Bible Reading/Journaling/Inscribe Plan

Community

There are many, many Bible verses about community and how we should conduct ourselves in the body of Christ and connect with each other. How we interface with one another says a lot about our own walk with the Lord and gives an example for nonbelievers. We must remember the importance of maintaining the connection with each other and focusing on building a community of love in word and actions.

Find inspiration from the list of Bible verses below about this theme.
